JohnVMesh.org

On October 12, 2015, Firefighter John V. Mesh lost his life battling a fire in northeast Kansas City. John's greatest passion, behind only his family and the Fire Department, was the outdoors. While growing up, John spent countless hours in the woods with his father and older brothers learning about conservation and had spent the past several years passing this tradition on to his four daughters. To honor John's memory and legacy, we have created the John V. Mesh Memorial Scholarship, a 501(c)(3) non-profit dedicated to sponsoring learning opportunities for children and scholarships for those interested in a profession in conservation.

The John V. Mesh Memorial Scholarship will be holding its 3rd annual fund raiser, a sporting clays shoot, on **Saturday August 25th, 11 a.m.. Location is Powder Creek Shooting Park, 8601 Monticello Road in Lenexa.** Check in begins at 9a.m. for all shooters. The event will include the shoot (100 shots total, shells included), raffle, and live auction. Food and drinks will also be provided to all participants (lunch and dinner).

To support this event, the John V. Mesh Memorial Scholarship is looking for participants, sponsors, and donations (both monetary and product), that can be auctioned or raffled. We would be grateful for any support you can lend:

_____ \$165 for one shooter

_____ \$2000 for corporate sponsor (special recognition and display of logo at event)

_____ \$2500 for corporate sponsor + team (special recognition, display of logo at event, team of 5 shooters)

_____ In-kind donation (food, beverage, auction item; \$1000 minimum for sponsorship recognition). Please describe: _____

_____ Cash donation (tax deductible). Amount: _____
